

WSB Acts on U. S. Rubber Wage Boost

The United States Rubber Company today announced approval by the Wage Stabilization Board of a 12 cent hourly general increase for all wage employees at the Kankakee Unit of the Joliet Arsenal.

The increase will be retroactive to Oct. 1, 1952.

Plant officials stated that a comparable increase will be extended to all salaried personnel in accordance with the usual company practice.

The Kankakee plant has 2,335 wage earning workers and 787 salaried employees.
